

CERTIFICATE

We as the competent German Ship Safety Authority hereby confirm that the software programs

- **PedGo / AENEAS-sim versions 2.6.0.2**
- **PedGo Editor / AENEAS-ed versions 2.6.0.0**

meet the requirements of the IMO MSC.1/Circ. 1533.

Compliance with the pertinent requirements has been demonstrated and documented in a report. The next higher version 2.7 has to be re-evaluated before release.

Hamburg, 12.01.2017
